

Holiday Communication Tips

H

Have extra batteries and equipment ready

O

Open concept- where the view is not obstructed across the gathering area (ex. low centerpieces on table)

L

Lower background noise- music, environment, others talking

I

Include visuals/labels for foods, people, and activities

D

Designate breaks and a quiet space to cope with listening fatigue

A

Advocate for communication access- speak up for what you/your child needs

Y

You are a model for language and communication goals
